Headquarters Recruiting Service,

St. Louis, March 26 1864.

Name, Nicolas Weip

Rank, Private

Where gone, St. Louis

Length of Furlough, thirty days

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the Superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, in the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

July

of R 901

P. Amato August 1 Rebel

3rd Regt of Ctho. July.

VOLUNTEERS.

Filed May 28, 1864

NOTE 1.—Two of these certificates (for duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and entered with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive his pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordinary horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State, and not by the United States, will not be entered on final statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

Sir I have the honor to acknowledge the receipt of your communication with regard to Joseph Le Hill a Private of my Company stating that he has not yet a Description Roll and that he has got a Surgeons Certificate of Disability and also that he has been dropped from the Rolls of the Co & Regt I will give you a little of the character of Joseph Le Hill from which you can draw your own inference in the month of March 1862 I took him out of St Louis as a deserter near to Louisiana. We were met and Paid Major Butler to include him in his roll on the 9th of April 62 on the 18th of April he deserted since which time I have never seen him I have often heard of him and once he had the audacity to write to the Colonel of the Regt wishing to know if he wished him back as he had been told that he was dropped from the Roll in consequence of which he had enlisted in some Illinois Regt stating at the same time that he was a Sergeant in said Regt its true he was dropped from the Rolls and Transferred to those of the Pres War Gen as all Deserters are with regard to his blindness of

which there remains not the least doubt ^{of} he was
accepted by the examining Surgeon in the St Louis
Arsenal in Sept /61 and duly mustered into the service of
the U.S. on the 15th day of Oct following by St Sanford
1st Can U.S. with respect to his wounds it is altogether
new to me & pronounce the whole of it a fabrication
he never received a wound in the line of his duty with
the Regt if he has been wounded it is more likely he
received it in some low den of prostitution in the City
of St Louis during the time he has been evading his duty
etc etc states that he has been arrested several times
and released again on account of his condition this
is the first time that I have been officially notified of
his apprehension I have been notified that the sum
of \$30.00 has been paid for his apprehension ~~and~~
and delivery and I should consider him the proper
person to liquidate the amount thus paid I have
it from a reliable source that he boasted openly that
he would not serve under me nor return to the
Regt he had been able to evade us so far and he could
do so for the future I have reported him a deserter
and shall continue to do so until he is dealt with
as Quarters ought to be

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to describe the degree of disability—as *h, i, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Ed. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or falsely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign two copies of the certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his official endorsement, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having passed through the channel of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and the first and both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not in any circumstances be given into the hands of the soldier.

Major McCornell

Dear Sir when I was before you yesterday
afternoon you requested me to give you a
statement of my case in writing & hasten
this morning to do so and I hope by so
doing that it will give you satisfaction
and leave it to you to decide in the
first place I belong to the 3rd mo vol Regt
Regiment - I was on Provost Duty all last
fall with Capt. Turncliffe and his force
also on duty at Fort at the Military
Prison after my or before my return to
Saint Louis I was unfortunate as a good
many other young men to get home with a
disease which I do not think proper to
mention unless you require me to do so
I was left here with my Doctor & Commune
to get better when I received an order
from my first Lieut to assist him for

detention I presented the order to you
and asked assistance and a pass which
you very readily gave to pass me into
Illinois I suppose you recollect it. I went
and arrested the parties and reported to
you and you sent those parties to the
Military Prison I then received an order
from Capt. Leighton to take them to Rolla
which I did and got a receipt for their
confinement in Prison at Rolla until their
respective Command started away I was
then too sick to go having become worse
from the trip over the Rail Road a small
Detachment of our Regiment being left
behind to Guard the Train I was transported
in an Ambulance after 4 days travel
in the rain we reached Lebanon Mo.
I was then so bad off that I could
not stand on my feet - we stopped all
night - in Lebanon that day the Train
started away I was too bad off to ride over
the rough Road I was left behind me —

Hospital in Town Mr body to take
Care of me did not know if there
was a loyal man in town none of
our troops were stationed in town
& had a small amount of money
& stayed in town 4 days had during
that time 3 meals of victuals and it
cost me for Boarding and lodging 7 dollars
the 5th day a man came into the town
and told that there was a man and
his family fleeing from Arkansas into
Illinois I sent for him he offered me

Statement of J. C. Wells Private of 6th Regt of Inftry Maine Vols.

That in Feb. or the 1st of March 1863, I was taken sick, while in camp at Benton Barracks Mo. St. Louis Mo. and was removed to St. Louis Mo., in the month of February or March, I stayed there sick and was transported in an Ambulance to Lebanon Mo., after arriving there, the Regt. Surgeon Mr. Lyon told me that as I was sick I could stay there, and pay for my lodging. The Regiment started on the next day, which was about the 15th day of April 1863, and left me there, I remained there about four days, and returned to St. Louis Mo., with Ambulance Refuges in a Wagon and reported to Col. Boyd for Transportation, but to St. Louis Mo. He refused me the Transportation, but had no objections to my going if I would pay my own fare, which I did, and reported to Surgeon Captain and Forest Marshall at St. Louis Mo. He told me to report again, which I did for some time, until he told me to report to Brig Genl. Harbison; I reported myself to Brig Genl. Harbison, and he told me to report again, which I did, but the Genl. had been ordered away from St. Louis Mo. Sometime after I heard that my Captain was here, I reported myself to him for duty, he refused to have anything to do with me, I then sent a letter to my Col. Ira F. Sheppard, in which I reported myself to him for duty, but never received an answer, wishing to go to work to support my family, I reported myself to Lieut. W. Adams Adj. Forest Marshall at St. Louis Mo., asking

him to protect me from any further arrest; he gave me
a written parole, which prevented me from being arrested
When he was relieved he took in his parole and turned
me over to Lt Wm Capt Provost Marshall, who relieved
him. he forwarded my case to Col March Provost
Marshall. Then, by his orders I was examined by
Mr Porter District Surgeon for discharge Certificate,
my discharge Certificate was made out, and delivered to
Capt Elliot Discharge Officer, who sent the same to
the Regiment demanding my Descriptive Roll, which
was returned, for what reason I do not know, I remained
in the City where I was raised, and wore my Uniform
until I was arrested.

This Statement I can approve by
Capt G. H. Martin, Watchman at Vaudeville Theatre.
Garter Captain United States Air Corps.

Sir

I have by inadvertence
my position as Surgeon, in the 1st Regt of Ill. Inf.
Regt, U.S.A. and respectfully request an im-
mediate discharge.

My reasons are, I have served without
leave of absence since Sept. 1860. after having
previously served three months. My health
has been unstable most of the time, and I
am now weak, and ill, but not so as to re-
quire a Surgeon to endorse my application
for discharge. I do not expect to be better in
service, and I honestly believe the Government
will be better served by another man in
my place.

Col:

I would hereby respectfully resign
my position as 2nd Lieutenant Company D 3rd Infantry
Missouri Volunteers for the following reasons -

My health for about a year past has
been very poor and during the last two months I have
been entirely unfit for duty. I am now in the
Hospital of the 1st Div. 15 A. C. but instead of getting
better, am becoming weaker each day, and the disease
is gaining a stronger hold.

Believing - as is expressed in accompanying
Surgeon's Certificate - that I will never regain my
health in this climate, and that death will probably
soon overtake me should I remain here - I offer
my resignation.

I have no desire to leave the service for
any other reason than to regain my health. I was
among the first to enter the service under the President's
first call, and have continued in it since, excepting
a short intermission after being discharged from the
three months service.

I have never had a days leave of absence
am not indebted to the Government and have
not been absent without leave since last paid.

Very Resp^y

To whom it may concern

Lieutenant Robert Wills, of
Company "D" having applied to me for a certificate
upon which to ground an application for discharge
from the service;

I hereby certify that at the time of
my first connection with the Regiment on the 18th
day of March last, I found him in enfeebled and
debilitated health, the result of Chronic Diarrhea,
and though seldom since that time off duty, he has
all the time suffered from that and its consequent
train of difficulties, Dyspepsia &c. so as to render
him constantly miserable, Twice during this

time he has applied for permission to go either to the Officers Hospital at Memphis, or to some point further North for treatment and recuperation, all which applications have failed through informality. For a time some amelioration of symptoms occurred, and though the performance of duty must all the time have been painful, he has continued to discharge the same with Commendable energy. Recently however instead of improvement, an aggravated form of his disease has fully incapacitated him for the performance of his duties. In view therefore of the fact of his disability and believing that either this will become permanent or Death must ensue upon his continuing on duty here, I would urgently recommend the acceptance of his offered resignation.

Head Quarter, U.S. (Colored Troops),
Steamer "Fanny Bullitt", July 18th 1863.

I am well acquainted with the case of
St. Robert Mills, Co. D. 3rd Mo. Vol. Infantry,
whose papers have been forwarded request-
ing a Discharge from Service.

It is my duty, both from motives of hu-
manity, and for the good of the Service, to say,
it is my judgment that his request ought
to be granted.

St. Mills is a worthy man, but aside
from his present illness, has never been
physically able for field Service. Much
of the time he has been unfit for duty, and
I can see no good in retaining him in Com-
mission, and I sincerely believe his life is
the price of doing it.

Most respectfully Submitted,

Samuel S. Stephens: Col. 3rd Mo. Vol.

Headquarters Recruiting Service,

St. Louis, March 26th 1864.

Name, Albert Wollacklager.

Rank, Private 6th Regt.

Where gone, St. Louis Mo.

Length of Furlough, thirty days.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases, one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

War Department,

Adjutant General's Office,

Washington, October 11, 1863.

Sir:

In reply to your letter requesting a Descriptive List of Wolschlagu, a Corporal in Company A, Regiment Wisconsin Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Wolschlagu, a Corporal in Company A, Regiment Wisconsin Volunteers, is 3 years of age; but no further "description" can be obtained from the files of this Office. that he was enrolled on the day of 1863 at the town of in the State of by and mustered into the service of the United States on the day of 1863 at the town of in the State of by to serve for the period of years during the war.

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of May June 1863 that he was last paid by Paymaster May 13 to the day of June 1863.
* This Soldier has not been paid for service beyond Dec. 31/64

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

* Although there is no evidence of Muster in it appears from the Muster rolls for pay that he was enrolled. Sept. 5, 1861, at St. Louis by Capt. Indest and mustered into service Dec. 31, 1861, at St. Louis by St. Louis as a Corporal for 3 yrs. in the Muster Roll for May + June 1864 he is reported sick in Hospital Memphis since Sept. 30, 1863 latest roll in file.
Very respectfully,
Your obedient servant,

Assistant Adjutant General.
(7)

To M. A. Winwell
Ct. and Co. 3d Mar. Regt.
Washington D.C.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

1863 May 22.	Wounded by a Minnie ball while in the line of battle at Pickensburg Mass. 22 ^d 1863. The ball entered through the right arm about three inches from the wrist carrying away about two inches of the radius, it then entered the Chest between the 6 th & 7 th ribs at the junction of the middle & outer third of the left half of the chest passing downward & backward lodging close to the spine opposite the 10 th Dorsal Vertebra, from which situation it was removed the same evening. On being carried to the rear he came under the care of Asst Surg. S. French 31 st Iowa Vol. who had him laid upon his face inclined to the right side to facilitate the discharge of blood. There was considerable hemorrhage, with obstinate vomiting tinged with bile & tasting of fresh blood although none could be discovered. He was carried to the Hospital of Steele's Division kept quiet with but little interference. In about a week the anterior wound commenced discharging bile, which continued to a considerable extent. The posterior wound having healed in about 4 weeks inflammation set in. When it was opened and discharged bile freely, judged to be nearly 8 ozs daily it gradually ceased & closing again, was opened Feb 26 th and discharged freely a piece of the clothing was also removed. Woodville Ala. March 11. 1864.

Genl:

I have the honor to represent, that while performing the duty of 2^d Lt. of Comp "I" 3^d Mo. Vol. Inf., I was severely wounded in the Charge upon the Enemy's Works at Vicksburg Miss. on the 22^d May 1863 - That on the 23^d of May 1863, while in Hospital at Vicksburg Miss. I received a Commission as 2^d Lieut. of said Comp. "I" 3^d Mo. from Gov. Gamble of the State of Missouri, which was accepted by me by letter on the 25th day of May 1863.

I would also respectfully represent, that in consequence of Wounds received in said assault of May 22. 1863, I have been unable to rejoin my Regt. until the 7th inst. when I applied to Lieut. Roman A.C.M. of this Division for Muster, who refused to muster me.

I would also respectfully represent, that the vacancy in said Comp. "I" into which I was to be mustered by virtue of Commission as 2^d Lieut. was caused by the promotion of Roger S. Greene to 1st Lieut. of 3^d Mo. Vol. who afterwards received and accepted an appointment as Captain in the 1st Regt. Miss. Volunteers of A.D. but

received at Regt.
of said Company or his Muster in as 1st Lieut
Vol. (A.D.) - That I have been borne on the Rolls as
1st Srgt. to date.

In consideration of these facts, I would respectfully
ask for an order of Muster to date from the date
of letter of acceptance of Commission from Gov. Gamble,
as the nature of my wound rendered it impossible
for me to perform the duties of 2nd Snt. with my Regt.
or to give earlier attention to the matter!

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h.*, *i.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1269 Regulations, Edit. 1901.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statement to be deposited, and forward both of these certificates to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.
